(the Applicant) for a Class E Certificate of Public Convenience and Necessity to render motor freight service over irregular routes only, as follows:

points and places in Greenville, Laurens, Anderson,  
and Pickens Counties.

Subsequent to the initiation of this proceeding, the Commission Staff instructed the Applicant to cause to be published a prepared Notice of Filing in certain newspapers of general circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and time in which to file the appropriate pleadings. The Petitions to

The Commission also finds that the granting of the certificate is required by public convenience and necessity.
